Quick Guide to Daily PI Practice

How Do We Practice?

Options:

- Students/Teachers lead in classrooms (student leaders can rotate daily or weekly)
- Students/Teachers lead over a loudspeaker every morning at the same time
- The principal leads the practice in a group assembly
- Students practice using a video or audio to lead them

When Do We Practice?

Daily: Once daily is the minimum requirement, while twice daily is highly recommended. Best results are usually seen when creating a routine practice at the same time each day.

Suggested Practice Times:

- Every morning before lessons begin (1st activity)
- After recess, breaks or lunch

Where Do We Practice?

Options:

- Classroom setting
- Common meeting places where the entire student body gathers each day
